Makers of the Famous Ronson Lighters

The idea of devoting a small part of this money to rehabilitation of alcoholics was broached publicly some years ago by the Alcoholic Beverage Study, Inc., a non-profit organization of citizens sincerely interested in making our liquor control system work

The Daily Record endorsed this proposal, as did many other newspapers and civic organizations, Governor John S. Fine supported it from the beginning of his term as Governor and, on his second appeal to the Legislature, won approval of an appropriation of \$500,000.

political lines, is preparing a program to put this money to

But there's no pleasing some people. For instance, Mrs. D. Leigh Colvin, president of the Women's Christian Temperance Union, Mrs. Colvin said in Evanston, Ill., the other

fund from taxes and telling its people that if they become alcoholics from drinking they will be taken over and treated at taxpayers' expense.

decent program as it's possible to hear. If what Mrs. Colvi said really represents the attitude of the WCTU, that orgaization should strike the word "Christian" from its till

Taxes in the States

Money doesn't grow on trees, but sometimes it would grow

The Census Brueau has just turned up some new statissome of your money goes so fast. A big bundle of it goes

30, the bureau reports, gathered a record sum from the taxpayers-\$10,512,000,000.

That's not nearly so much as the Federal Government latches on to in a year--but it's still more than all government-(Federal, state and local) collected in 1935, only 18

Since 1942, the Census Bureau says, the 48 state governments have increased their take from the taxpavers by more than 170 per cent. (Since 1935, it's more than 375 the President's hands is not the

The Census Bureau wants us to know that not all of to prevent matters getting out of tax levies. The main reason, the bureau reports, has been "rising prices and economic activity."

However they got their money, the point is that the states have been spending at a far higher rate than any state official a few years back ever would have dreamed.

But in the states, as in Washington, government has been ness expanding, taking on new functions, enlarging old ones.

The climb up has been comparatively easy. Just use

But the Census Bureau report is another illustration of an issue rapidly bearing down on us. How far can government go? When does it stop and turn around?

In Washington, President Eisenhower is trying to reverse the trend. He is finding the road down a rugged one way through whool as a house

Stroudsburg High suffered first real injury of the footl present campaign gets underway

Al Adelmann, former threeletter athlete at Stroudsburg High, is one of 60 players retained for the Naval Academy freshman grid machine this year. The initial squad was 200 strong. Carl Adelmann, Al's older brother, is back for another season at end for Pennsylvania Military Academy. A total of 50 candidates reported for the first PMC practice of the season.

Charley Winters, assistant football and basketball coach at Stroudsburg High, and family will be living on Scott St. this year. Softball in Monroe County will come to an end next week, when the Eagles and Jack's Market clash in a best two - out - of - three-game series to decide the title holder in the Monroe County Softball League. The games are listed for Strondsburg Playground next Tuesday, Wednesday and Thursday. Each tussle will get underway at 6 p.m.

George Metropoulos will hold down his usual third base post in the softball playoffs for the Eagles, despite an arm injury suffered in the recent softball tournament in Columbia .Pa. Jack Kist, head football and baseball coach at East Stroudsburg High, and family will attend a family reunion at Saylor's Lake tomorrow. "skull" practice on Thursday, when rain prevented outdoor

at East Stroudsburg State Teach Strikeout Star

take part in the last practice gessions today until after the Labor Day weekend. The Bill Waite Memorial Golf Tournament is to be held at Shaw nee Inn and Country Club next week and will feature approximately a dozen local golfers and some of the best amateur players in the entire United States. The Waite field ananally compares very favorably with the National Amateur. If Kunkletown should defeat Lake Harmony tomoryow and win its third straight Pecono Mountains League crown, it will be a remarkable comeback.

49 Marriage Licenses Issued During Month

Dan Cupid apparently was immune to the stifling August

Forty-nine couples applied for marriage licenses in Monroe County Courthouse last

Mrs. Florence Ridgeway clerk in the prothonotary's office, said it was the largest number of applications in the month of August in her recollection, and one of the tops for any 12-month period.

Even the month of June when Dan's arrow is supposed good as August, with 46 couples prepared to take the your after registering here.

Meet Miss Lori Killian Richard Hudnut Representative She has a beauty-gift for you

Now Richard Hudnut guarantees to put a good, natural-looking curl in your child's hair!

Guaranteed against failure, or your money back! Special Creme Waving Lotion softens resistant hair so it can take a curl; and Special Beauty Rinse Neutralizer instantly gives hair the strength and spring it needs to hold onto the curl. Shines hair, smooths it, leaves it tangle-free and easy to comb. The streamlined method takes less time. so your child won't fuss and fidget.

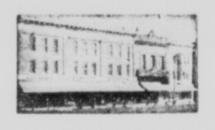

Richard Hudnut ALL NEW! RICHARD HUDNUT ADULT HOME PERMANENT

Revolutionary Beauty Rinse Neutralizer gives soft, lustrous waves and curls. No "first day frizz," no "let go" later! \$1.50
